

CURRICULUM VITAE

Joseph Anthony DiPietro

The University of Tennessee
Institute of Agriculture
2621 Morgan Circle Drive
Room 101 Morgan Hall
Knoxville, Tennessee 37996-4505
(865) 974-7342 (Office phone)
dipietro@utk.edu (Email)

DATE OF BIRTH: July 19, 1951
PLACE OF BIRTH: Steubenville, Ohio
MARITAL STATUS: Married Deborah Sue Brown -8/3/74
Three Children: Robin Rebecca -3/10/77
Joseph Alphonso -5/11/81
Rose Elizabeth -2/23/83

EDUCATION:

High School: Charleston Community High School, Charleston, Illinois 61920.
Graduation: June 1969

University of Illinois, Urbana, Illinois 61801
College of Agriculture, Consumer and Environmental Sciences – Animal Sciences
Major: Pre-Veterinary Medicine – 1969-1972

College of Veterinary Medicine - BS, 1974; DVM, 1976; MS, 1980
Graduate Training: Department of Veterinary Medical Science (Department of Veterinary Pathobiology; Parasitology Division). Master's Thesis Title: The Endoparasitic Activity of Ivermectin, MK933, in the Horse. 1980. University of Illinois, Urbana, Illinois 61801.

OTHER EDUCATIONAL EXPERIENCE:

Managing for Commitment Program, The Center for Creative Leadership, Greensboro, NC, October 3-9, 1988.

Senior Administrator Seminar, Executive Development Center, College of Commerce and Business Administration, University of Illinois at Urbana-Champaign, September 3-5, 1991.

Florida State University System, Leadership Workshop. In service training, Howey-in-the-Hills, FL, May 4-6, 1997.

Florida Board of Regents Deans and Chairs Retreat, Gainesville, FL, November 24, 1998.

Food Systems Leadership Institute (<http://www.fsli.org/>), 2007 Fellow, Inaugural Class, Sponsored by NASULGC and the W.K. Kellogg Foundation. The Food Systems Leadership Institute (FSLI) offers leadership development to upper-level leaders in higher education, government, and industry to prepare them to meet the leadership challenges and opportunities of the future. It is a two-year program consisting of four week-long residential sessions.

LICENSURE:

State of Illinois: 90-B-3919

State of Indiana: 3701

PRESENT TITLE/POSITION:

June 2010 - Present
Chancellor, Institute of Agriculture
The University of Tennessee

February 2006 – June 2010
Vice President, Institute of Agriculture
The University of Tennessee

PROFESSIONAL POSITIONS:

May 1976-June 1978. Associate Veterinarian, Peotone Animal Hospital, Peotone, Illinois 60468.

July 1978-September 1980. Instructor of Veterinary Clinical Medicine, University of Illinois, Urbana, Illinois 61801.

September 1980-August 1984. Assistant Professor of Veterinary Clinical Medicine and Veterinary Pathobiology, University of Illinois, Urbana, Illinois 61801.

August 1984-November 1990. Associate Professor of Veterinary Clinical Medicine and Veterinary Pathobiology, University of Illinois, Urbana, Illinois 61801. (Tenured)

November 1990-January 1997. Professor, Department of Veterinary Pathobiology, University of Illinois, Urbana, IL 61801. (Tenured)

January 1997-February 2006. Professor, Department of Pathobiology, University of Florida, 32610. (Tenured)

February 2006 – Present. Professor, Comparative Medicine Department, College of Veterinary Medicine, The University of Tennessee, Knoxville, TN (Tenured)

ADMINISTRATIVE POSITIONS:

November 1990-November 1991. Acting Associate Dean for Research, College of Veterinary Medicine, University of Illinois, Urbana, IL 61801.

November 1991-January 1992. Assistant Dean for Research, College of Veterinary Medicine, University of Illinois, Urbana, IL 61801.

November 1993-1994. Acting Assistant Director, The Agriculture Experiment Station, College of Agriculture, University of Illinois, Urbana, IL 61801.

November 1993-August 1994. Acting Associate Dean for Research, College of Veterinary Medicine, University of Illinois, Urbana, IL 61801.

August 1994-January 1997. Assistant Director, The Agriculture Experiment Station, College of Agriculture, University of Illinois, Urbana, IL 61801.

August 1994-January 1997. Associate Dean for Research, College of Veterinary Medicine, University of Illinois, Urbana, IL 61801.

January 1997-February 2006. Dean, College of Veterinary Medicine, University of Florida, Gainesville, FL 32610.

February 2006-June 2010. Vice President, Institute of Agriculture, The University of Tennessee, Knoxville, TN 37996-4505.

June 2010-Present. Chancellor, Institute of Agriculture, The University of Tennessee, Knoxville, TN 37996-4505.

PROFESSIONAL SOCIETY MEMBERSHIPS:

American Veterinary Medical Association

Tennessee Veterinary Medical Association

American Association of Equine Practitioners (Inactive)

American Association of Veterinary Parasitologists Conference of Research Workers in Animal Disease (Inactive)

American Association of Veterinary Clinicians (Inactive)

American Society of Parasitologists (Inactive)

HONOR SOCIETIES:

Alpha Zeta--Morrow Chapter

Phi Zeta--Mu Chapter

Sigma Xi--University of Illinois Chapter

Gamma Sigma Delta--Illinois Chapter

Gama Sigma Delta--Tennessee Chapter

HONORS AND DISTINCTIONS:

Gamma Sigma Delta Scholastic Achievement Award, January, 1972.

Dr. J. O. Alberts Award for Outstanding Performance as a VMS Graduate Student, May 8, 1991.

Mu Chapter Phi Zeta Literary Award, 1982.

Listed as a Teacher Ranked as Excellent by Their Students. Daily Illini, November 4, 1980; May 26, 1981; November 3, 1981; November 1982; May 1983; Fall 1983; Fall 1984; April 15, 1985; April, 1987; April, 1988.

Fellow--Mark Morris Foundation

Listed in Who's Who in Veterinary Science and Medicine. 1st Edition, 1987-1988. Crown Publishing, Van Nuys, CA, 1988, pp 66-67.

Delivered Commencement Address, Class of 1988, College of Veterinary Medicine Convocation, May 22, 1988.

Finalist, Class of 1993 American Council on Education Fellows Program. ACE, 1 Dupont Plaza, Washington, DC. Nominated November, 1992, Interviewed February 14, 1993.

Certificate of Appreciation, (Scientific Collaborations) College of Veterinary Medicine, Chonbuk National University, Korea, 1995.

Outstanding Symposium Service Award, University of Florida SCAVMA, 1998.

University of Florida Foundation, Distinguished Service Recognition, 2003.

Dr. Erwin Small Distinguished Alumni Award, University of Illinois, College of Veterinary Medicine, 2004.

State of Florida Special Recognition Award, (Service to the Animal Industry) 2006.

TEACHING EXPERIENCE:University of Illinois

AHT 116--Large Animal Techniques, Parkland Junior College, Champaign, IL

AGB173--Horse Management, Parkland Junior College, Champaign, IL

University of Florida

VME 6767--Issues in the Responsible Conduct of Research
VEM 5154--Large Animal Parasitology

Graduate

Indefinite Term Member of the Graduate Faculty, University of Illinois, 2/03/88.
Indefinite Term Member of the Graduate Faculty, University of Florida, 1/31/97.

Committees

Dr. Alan Paul, 1981-1983, MS
Dr. Richard French, 1985-1990, MS
Dr. James Hosek, 1986-1988, MS
Dr. Phillip Fassler, 1989-1994, MS
Dr. Doug Hutchens, 1996-1998, MS
Dr. Merijo Jordan, 1998-2001, MS
Dr. Chris Sanchez, 1999-2002, Ph.D.

Major/Thesis Advises

Ms. Virginia Reuter, March 1984-1986, MS
Dr. Scott M. Austin, 1988-1990, MS
Dr. Nicholas Primm, 1989-1990, MS
Dr. Thomas Brauer, 1989-1990, MS
Dr. Calvin Vandermyde, 1985-1987, MS
Dr. Kathleen Ewert, 1989-1991, MS
Dr. Reginald Valdez, 1991-1994, MS

Other

Primary Supervisor, USAID Scholars Program, Pakistan Participant Training Program, Dr. R. A. Butt, June 1990 to September 1990, funded amount \$11,650.

Primary Supervisor, CIC Summer Research Opportunities Program for Minority Students, N. Leacock, 1989.

Primary Advisor, CIC, Summer Research Opportunities Program for Minority Students, E. Anderson, June 1992 to August 1992.

Primary Supervisor, Merck Minority Fellowship in Clinical Parasitology, Dr. R. Valdez, 1991-1994, funded amount \$69,125.

The Lilly Seminar Series on the Epidemiology of Selected Parasitic Diseases, Hosted by the Parasitology Division, Department of Pathobiology, Solicited funding from Eli Lilly & Co., Greenfield, IN, and coordinated seminar series. 1993-94 Academic Year, \$4,500.

Primary Advisor, Howard Hughes Fellowship Program, University of Illinois, School of Life Sciences, R. Gamboa, 1995, 1996

Invited Parasitology Lecturer, Chonbuk National University, Chunju, Korea, 1995.

CONTINUING EDUCATION/EXTENSION:

October 1978--University of Illinois Fall Short Course for Veterinarians. Title: Selection of Equine Anthelmintics.

October 1979--University of Illinois Annual Conference and Short Course for Veterinarians. Titles: Equine Rapid Dose Syringe Worming and Selection of Equine Anthelmintics.

November 1979--University of Illinois Equine Conference. Title: Equine Parasites and Their Control.

December 1979--Adams County Livestock Seminar. Title: Bovine and Porcine Parasite Control.

May 1980--University of Illinois Short Course. Title: Broodmare Reproduction Program.

September 1980--University of Illinois Short Course for Veterinarians. Title: Ivermectin, a New Equine Anthelmintic.

October 1980--University of Illinois Racehorse Health Seminar. Title: Research Report on Ivermectin, a New Equine Anthelmintic.

November 1980--University of Illinois Fall Horseman's Conference. Title: Advances in Equine Parasitology.

November 1981--University of Illinois Racehorse Seminar. Title: Strangles: What Is It? And How Do You Live With It?

September 1982--University of Illinois Short Course. Title: Equine Vaccination and Worming Schedule.

November 1982--University of Illinois Racehorse Seminar. Title: Parasite Control in Illinois. Title: A Strangles Update.

March 1983--University of Illinois Equine Conference. Title: Parasite Control in the Performance Horse.

September 1983--University of Illinois Shortcourse. Title: Update on Internal Parasite Control in Cattle.

September 1983--University of Illinois 4H Leaders Conference. Title: Equine Parasitology.

November 1983--University of Illinois Racehorse Seminar. Title: Illinois Parasite Survey Results. Title: In-Depth Equine Parasitology Seminar.

November 1983--University of Illinois Swine Health Clinic. Title: What's Coming in Mange Control.

June 1984--1984 State 4H Conference Animal Science Workshop. Title: Equine Prepurchase Examination.

September 1984--1984 State 4H Horse Project Leaders Forum. Title: New Developments in Equine Anthelmintics.

October 1984--University of Illinois Annual Conference and Short Course for Veterinarians. Title: New Concepts in Equine Parasite Control.

June 1985--State 4H Conference Animal Science Workshop. Title: Equine Artificial Insemination.

October 1985--University of Illinois Annual Conference and Short Course for Veterinarians. Title: Current Concepts of Equine Parasite Control.

September 1986--University of Illinois Annual Conference and Short Course for Veterinarians. Title: Clinical Problems with Anthelmintics: Adverse Reactions and Ineffectiveness.

January 1987--Treatment of Natural Parascaris equorum Infections with Ivermectin (Videotape production), MSD AGVET, Div of Merck & Co., Inc., Rahway, NJ.

February 1987--Illinois State Veterinary Medical Assoc Annu Meet, Springfield, IL. Title: Equine Anthelmintics. Equine Colic Panel. Equine Preventive Medicine.

November 1987--Practitioner Seminar: Review of the Life Cycle, Epidemiology, and Chemotherapeutics of Parascaris equorum (Presentation done 5 times: Buellton, Temecula, Berkeley, Gilroy, and Sacramento, CA). MSD AGVET, Div of Merck & Co., Inc., Rahway, NJ.

January 1988--Practitioner Seminar: Review of the Life Cycle, Epidemiology, and Chemotherapeutics of Parascaris equorum (Presentation done 2 times: Lexington and Louisville, KY). MSD AGVET, Div of Merck & Co., Inc., Rahway, NJ.

February-March 1988--Practitioner Seminar: Review of the Life Cycle, Epidemiology, and Chemotherapeutics of Parascaris equorum (Presentation done 3 times: Boise, ID and Salt Lake City, UT). MSD AGVET, Div of Merck & Co., Inc., Rahway, NJ.

February 1989--Parascaris equorum Infections in Foals; Lifecycle, Chemotherapy, and Control. MSD AGVET Seminar, Div of Merck & Co., Inc., Rahway, NJ.

August 1990--Contemporary Topics in Equine Parasitology. MSD AGVET Equine Practitioner Symposia, Denver, PA, Albany, NY, Framingham, MA, Secaucus, NJ.

October 1990--Fall Conference for Veterinarians, University of Illinois. Title: Equine Parasite Update.

January 1994--University of Illinois Racehorse Conference. Title: Parasites and the Racehorse in Training.

May–November 1994--How to Control Parasites in your Horse. (Presentation done three times: Rockville, IN; Sullivan, IL; and Tremont, IL.) MSD AGVET, Division of Merck and Company, Inc., Rahway, NJ.

October 1994--Practitioner Seminar on Anthelmintic Treatment of Horses. Florence, KY. MSD AGVET, Division of Merck and Company, Inc., Rahway, NJ.

June 1999-- Equine Parasite Control, MBNA Equine Health Conference, Gainesville, FL.

COMMITTEES:

MSDRL Merck & Co., Inc.	\$12,155	Efficacy of Oral Ivermectin on Sarcoptic Mange in Swine	CI	10/88-11/89
MSD AGVET	\$ 6,000	Unrestricted Grant for Equine Parasitology Research	PI	4/89-1/90
Vice Chancellor Shoestring Grant	\$500	Incidence of Cryptosporidiosis in Foals	PI	12/89-7/90
MSD AGVET	\$8,058	Efficacy of Ivermectin Against Migratory Stages of Small Strongyles	PI	4/90-4/91
American Cyanamid	\$75,790	Evaluation of the Safety of Moxidectin in Collie Dogs ^{GLP}	CI	2/90-2/91
American Cyanamid	\$42,895	Controlled Efficacy Study of Moxidectin Paste Against Prevalent Parasite Infections in Equids ^{GCP}	PI	2/90-4/91

Source	Amount	Title	Role	Duration
Pfizer, Inc.	\$18,991	Effect of Daily Administration of Pyrantel Tartrate on the Development of Experimentally Induced <u>Parascaris equorum</u> Infections in Pony Foals	PI	2/90-5/91
MSDRL Merck & Co., Inc.	\$17,895	Clinical Dose Confirmation of Abamectin in the Treatment of Experimentally Induced 4th-Stage Larvae of Cattle Endoparasites	PI	5/90-11/90
MSDRL Merck & Co., Inc.	\$25,084	Evaluation of Ivermectin Chewables Against Induced <u>Dirofilaria immitis</u> Infections in Cats	CI	6/90-12/90
Vice Chancellor Shoestring Grant	\$500	Plasma Pepsinogen Levels of Calves Experimentally Infected with Trichostrongyles	PI	12/90-12/91
Merck, Sharpe, and Dohme, Inc.	\$17,940	L-685,869/Dogs/Clinical/ Relative Potency/ Endoparasites ^{GCP}	CI	9/91-9/92
Merck, Sharpe, and Dohme, Inc.	\$24,375	Evaluation of L-685,869 in dogs-- <u>Trichuris vulpis</u> ^{GCP}	CI	5/92-5/93
Merck, Sharpe, and Dohme, Inc.	\$36,790	L-685, 869/Dogs/Clinical/Dose Titration/Endoparasites/ Immature ^{GCP}	CI	6/92-8/93
Merck, Sharpe, and Dohme, Inc.	\$31,642	L-648, 548/Dogs/Topical/ Endoparasites/Immature ^{GCP}	CI	6/92-8/93
Merck, Sharpe, and Dohme, Inc.	\$26,878	Evaluation of Ivermectin in Cats ^{GCP}	CI	6/92-4/93
Merck, Sharpe, and Dohme, Inc.	\$24,603	Ivermectin/Cats/Clinical/Dose Titration/Endoparasites ^{GCP}	CI	6/92-9/93
Equi Aid Products	\$45,383	Controlled Efficacy Study of the Bioequivalency of Strongid C and Generic Pyrantel Tartrate in Equids ^{GLP}	PI	10/92-1/95
Equi Aid Products	\$9,536	Consumption of Strongid C and Generic Pyrantel Tartrate in Horses ^{GLP}	PI	1/93-5/95
Merck, Sharpe, and Dohme, Inc.	\$15,061	Ivermectin/Chewable/Cats/ Clinical/Dose Confirmation/ Endoparasites/Immature ^{GCP}	CI	2/93-10/93
American Cyanamid Company	\$29,981	Dose Confirmation of the Efficacy of Moxidectin Pour-on Against Nematode Infection in Cattle ^{GCP}	PI	7/93-11/95
L. Smith R&D (Merck, Sharpe, and Dohme, Inc.)	\$9,390	Protocol 3379, L-653,648/ Cattle/Clinical/Dose Confirmation/Endoparasites/ Induced Immature Nematodes ^{GCP}	PI	9/93-11/94
Merck, Sharpe, and Dohme, Inc.	\$21,539	Ivomec Premix/Swine/ Demonstration/ Field Trial/ Endo-EctoParasites/ Efficacy/ Productivity ^{GCP}	CI	10/93-10/94
American Cyanamid Company	\$44,843	Clinical Field Trial of Moxidectin Equine Gel Against Prevalent, Naturally Acquired Internal Parasite Infections in Horses ^{GCP}	PI	10/94-3/1/95
Pfizer, Inc.	\$44,267	Persistent Effectiveness of Doramectin Injectable Solution on Comparison with Ivermectin Injectable Solution Against Experimentally Induced <u>Ascaris suum</u> Infection in Swine ^{GCP}	PI	1/95-date

Source	Amount	Title	Role	Duration
Hoechst-Roussel Agri-Vet Company	\$66,340	Efficacy of Fenbendazole Against Encysted Small Strongyles Infecting <i>Equus caballus</i> ^{GCP}	PI	12/95-date
Merck Research Laboratories	\$19,942	L-653,648/Cattle/Clinical/Dose Confirmation/Endoparasites/ Induced Adult Nematodes ^{GCP}	PI	1/96-date
Merck AgVet Division, Merck and Company, Inc.	\$12,000	Analysis of Swine Skin Scrapings and Fecal Samples for the Presence of Parasitic Infections ^{GCP}	PI	2/96-date
Pfizer, Inc	\$28,227	Doramectin Clinical Trial in Horses	CI	3/97-6/97
Amer Assoc Vet. Med. Colleges	\$2,000	Assessment of Animal Use in Preclinical Veterinary Medical Education	CI	3/00-5/01
